Poslovna kuća d.o.o. has exclusive rights or licenses for the content of the website. If necessary, you can contact the company via email at info@poslovna-kuca.hr or at the Company's registered address listed in the Commercial Register of the Republic of Croatia.

2. Cookies

A cookie is a small text file that is stored in the user's web browser (e.g., Internet Explorer, Google Chrome, Firefox) on the user's computer (or other internet-enabled device, such as a smartphone or tablet). This file ensures that the visitor to our website can easily and quickly retrieve personalized content each time they return to a page they have previously visited. The information from cookies is only available to the server of the company that created them, and not to other servers. A cookie is only a "passive" file; it does not contain any other software programs that could run on the user's internet-enabled device (computer, smartphone, tablet, etc.). Our website uses cookies. Cookies help us manage our website and provide its basic functionality. You can find more information about cookies at <http://www.allaboutcookies.org/>.

Specifically, we use the following types of cookies:

a) Necessary cookies that ensure the proper functioning of our website, for example, providing the login function for user accounts on the website or allowing you to switch between language versions of our website and ensuring that your language choice is remembered. You can disable these cookies by changing your browser settings, but the website may not function properly without them.

Some cookies are deleted from your device after you close the browser window (session cookies), while others may remain stored on your device even after you stop browsing our website (persistent cookies). Information on how long individual cookies are stored on our website can be found below in the list of cookies used.

For more information on the processing of personal data and your rights as a data subject, please read the Privacy Notice.

List of Cookies Used

Cookie	Description	Retention Period	Type of Cookie
poslovna_kuca_session	This cookie is used to identify the client on the website.	Session	Necessary
XSRF- TOKEN	Web request spoofing (XSRF or CSRF) is an attack against web applications in which a malicious web application can affect the interaction between a client browser and a web application that trusts that browser.	Session	Necessary

3. Advantages of using cookies

A cookie is a file that contains information from the user's web browser and a specific web server. If the web browser accesses the web server again, the server can more easily and quickly retrieve this information and respond to the data stored in it. The company uses this technology on its website to better integrate the services it offers to clients.

4. Disabling/deactivating cookies

If you do not want cookies to be collected, you can also limit, block, or delete them by changing your internet browser configuration. Although settings vary from browser to browser, cookie configuration is usually found in the "Settings" or "Tools" menu. Please note, however, that if you block cookies, the functionality of our website may be limited, and in the case of essential cookies, you may not have access to our website. If you want to prevent the installation of new cookies or want to remove existing cookies, please refer to the instructions in the links below. Please note that the specific procedure depends on the browser you are using.
